Dear Dan:

On behalf of Pacific Design Center, thank you for your participation during WestWeek 98: ***"To Live and Design in L.A.: Faces, Places, Spaces"***. With over 10,000 guests attending WestWeek 98, we are pleased with the positive response we have received from our tenants, attendees, sponsors and others who helped to make this our most successful WestWeek to date. And PDC staff could not bask in the sweet afterglow of WestWeek 98 without extending a hearty thanks to the consummate professionals of Media Revolution.

Again, thank you for the effort put forth by everyone on your staff.

Sincerely,

Betsy Barrett-Patterson
Manager, Programs & Exhibitions
